

What is JOSCAR?

JOSCAR is a cross-sector collaborative solution for managing supplier compliance, used by 12 major prime contractors in the aerospace, defence and security sectors to reduce cost, resources and duplication for both suppliers and buyers.

Why do buyers use JOSCAR?

- ✓ Access to a wider group of suppliers to support their sourcing activities.
- ✓ Standardised requests for information across the defence community, reducing the cost and administrative burden for suppliers providing their information.
- ✓ Shared experience and resources.
- ✓ High quality information on the defence supply chain.
