

A guide to TSB Supplier Qualification.

TSB is committed to introducing responsible business practices that make it easier for our suppliers to do business with us.

To support this commitment, we use the Hellios Financial Supplier Qualification System (FSQS).

It is designed to standardise and manage our requests for compliance and assurance data, along with other major financial services organisations that have adopted FSQS.

As the regulatory environment becomes more complex, it's important that we can demonstrate to our stakeholders that we're working responsibly with our suppliers to minimise risk and protect customers. The introduction of the FSQS provides a standard and simple mechanism for collecting and managing supplier assurance information across TSB. The FSQS is also an integral part of our sourcing process.

Our Supplier Managers also use the system to find pre-qualified suppliers to be considered for new business. Qualified supplier status gives visibility across our procurement process and, therefore, creates potential new business opportunities.

Benefits for you

- A single online process to submit assurance and compliance data – reducing duplicate requests from TSB and other financial services customers who you provide goods and services to.
- Compliance requirements which are proportionate to the products and services being provided.
- An online supplier profile which can be updated throughout the year to demonstrate your ongoing compliance with our policies.
- Qualification means you won't have to provide assurance information each time you bid for business with us.

How to gain qualification

There are two levels of qualification. Stage 1 Qualification collects basic information about your organisation and is used to determine whether Stage 2 Qualification is necessary, based on the nature of the goods or services being supplied. For example, if a supplier deals directly with our customer data, then they will be asked to demonstrate how they comply with relevant regulatory requirements.

A simple two-stage process Stage 1 Qualification

Suppliers will receive an email invitation to complete an online questionnaire. The invitation will come from Heliios, an external partner, who has been appointed to collect and administer the data on behalf of TSB. The questionnaire should take around one hour to complete. This information will allow us to determine whether your organisation only requires Stage 1 Qualification or is required to complete Stage 2 qualification.

Stage 2 Qualification

Stage 2 requires the completion of a more detailed online questionnaire and, in some areas, may require the provision of supporting evidence. To make the process as efficient as possible, most of the questions have selectable answer options rather than requiring lengthy written responses, and no proprietary, contractual or pricing information will be asked. This stage typically covers your policies and practice in areas such as:

• Anti-Bribery	• Sanction	• Remuneration	• Customer Treatment
• Products and Sales	• Anti-Money Laundering	• Health & Safety	• Whistleblowing
• Business Continuity	• Information Security	• Cyber Security	• Records Management
• Diversity & Inclusion	• Environmental	• Data Management	• GDPR
• Physical Security	• Operational Resiliency	• IT Asset Management	• Conduct Risk

For those organisations where Stage 2 of the process is required, an annual fee of £1,650 (plus VAT) is payable directly to our external partner Hellios. Micro, and small organisations are fully subsidised by the community with no fee payable and medium-sized organisations are 50% subsidised.

Following Stage 2 qualification, TSB may wish to conduct further assurance activities including an on-site audit. This will be conducted by TSB and will incur no further fees.

Timelines for qualification

Existing suppliers to TSB are given up to eight weeks to complete qualification for the first time, to allow sufficient time for familiarisation with the new questionnaires and process. However we expect most suppliers will be capable of competing qualification in significantly less time. Suppliers bidding for new business with TSB may need to complete the qualification much more quickly in accordance with procurement timescales. Hellios will advise the deadline dates for Stage 1 and, if required, Stage 2 completion in the FSQS email communications issued.

Frequently asked questions.

1. Why has TSB introduced a Financial Supplier Qualification System?

Suppliers told us that our process for collecting compliance and assurance information was complex and time consuming. The introduction of an online system simplifies the process for suppliers to submit information and prevents suppliers receiving multiple requests from TSB for qualification data. It is also important that we (your organisation and TSB) can demonstrate to our stakeholders that we are working together responsibly to minimise risk across our supply chain to protect our customers. As the regulatory environment we operate in becomes more complex, it is vital that we have a robust system in place to support the collection and maintenance of Supplier Assurance data and respond to regulatory change.

2. Who is Hellios?

Hellios Information Management Ltd is a UK based company. The team has extensive experience in collecting and maintaining supplier data on behalf of a number of global and UK companies.

3. What is the role of Hellios?

TSB has appointed Hellios to collect and administer Supplier Assurance related data on behalf of the TSB. Hellios will collect and check the data provided by suppliers and ensure the data is maintained on the Financial Supplier Qualification System. Hellios is an approved supplier of TSB Hellios does not assess a supplier's suitability for qualification. That decision rests with TSB.

4. How does Hellios protect the data we provide?

The FSQS application, infrastructure and data storage is hosted exclusively in the UK in data centres that are SSAE18 SOC2 and ISO27001 certified. Encryption to the latest industry standards is employed, along with cyber security measures such as weekly scans and penetration testing. Hellios ensures the limited amount of personal data collected is fully compliant with the GDPR and Data Protection Act 2018.

5. Do we have to register each of our legal entities separately?

Yes, your organisation is required to register any legal entity that submits an invoice to TSB.

6. Can any supplier apply for qualification?

No, qualification is by invitation only.

7. Will other suppliers have access to the information we provide?

No, other suppliers will not have access to the information you provide.

8. Will assurance information be available across TSB?

Yes, one of the benefits of the new system is that suppliers' assurance information will be available to other areas in TSB. This will reduce requests for duplicate information from us.

9. Will I be asked to provide pricing information on my company's products and services?

No, your organisation will not be asked to provide any commercial information of this nature.

10. If I'm required to apply for Stage 2 Qualification, how do I pay the fee to Hellios?

Hellios will provide full details of the payment options available however we recommend suppliers make an online payment to Hellios for immediate access to the Stage 2 assessment.

11. How long is qualification valid for?

The renewal date is set at one year after Stage 1 Qualification has been granted. For suppliers that are required to also complete Stage 2 Qualification, the renewal date is set one year after your Stage 2 questionnaire has been issued. Hellios will issue reminders to suppliers several weeks in advance of their qualification expiry deadline.

12. How long does it take to complete qualification?

Typically, we find it takes less than one business day to enter the information in the system (if you're asked to complete both stages). However, the time required to collate the information varies dependent on the size of an organisation. Larger organisations often have to source the data from a number of internal departments and therefore we're giving existing suppliers approximately eight weeks to complete qualification.

13. As an existing supplier, what happens if I fail to apply for qualification within the assigned timelines?

Suppliers will be fully supported by Hellios throughout the qualification process. However, failure to complete qualification will result in a supplier being classified as non-compliant in our internal systems.

14. Who can I contact for further information?

Please contact Hellios Supplier email: fsqs@hellios.com or telephone 01865 959120 8.30am to 5.30pm, Monday to Friday.

*An SME is defined as an enterprise which has less than 250 employees and a turnover of less than £40m (including any consolidated figures should the enterprise belong to a group of companies).

Need some extra help to do your banking? This might be due to physical or mental wellbeing or a life event. We're here to support you. Let us know what you need by calling 03459 758 758, chat to us in the Mobile Banking App, or visit us in branch.

This information is available in large print, Braille and audio. Ask in branch or call us on 03459 758 758 (lines are open from 8am to 8pm, 7 days a week).

If you have a hearing or speech impairment you can call us using the National Relay UK service. Type '18001' before entering our telephone number. A member of the Royal National Institute for Deaf People will join the call to speak with us as you send and receive text messages. Please visit www.relayuk.bt.com to read how they manage your data.

The opening hours of our Telephone Banking advisor services are 8am to 8pm Monday to Sunday. Our lost and stolen card and fraud reporting lines are open 24/7. For business banking customers our normal call centre times are 7am to 8pm Monday to Friday, 9am to 2pm Saturdays. Due to Covid-19 they have reduced temporarily.

If you need to call us from abroad, or prefer not to use our **0345** number, you can also call us on **+44 20 3284 1581** or **+44 203 284 1576** for Business Banking customers. Calls may be monitored or recorded.

TSB Bank plc Registered Office: Henry Duncan House, 120 George Street, Edinburgh EH2 4LH. Registered in Scotland No. SC95237. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Registration No. 191240.
